Javier!

Hey, dude! Sorry I couldn't be around to help you this morning. Hope the couch wasn't too unbearable. I'm going to address a few questions that you may have.

How to get food

1. Go to the kitchen, and you are welcome to any food you like in there.
2. If you see nothing you want, you can hop on the bus to Hethwood Market right down the street, and they sell a variety of different foods.
3. If nothing there interests you, take the bus to campus to one of the dining halls on campus.

How to catch the bus

1. Grab your Hokie Passport so you can ride the bus for free. If you've haven't gotten it yet or misplaced it, be sure to grab a couple of dollars in change. It's 50 cents for a one-way trip on the bus.
2. Go to www.bt4u.org to look at the bus stops and figure out where you need to stop.
3. Walk up Heather Drive toward Tall Oaks Drive, and wait at the bus stop right ahead of you, next to the Briarwood clubhouse/pool.
4. If you've never ridden a bus before, all you have to do is pull the cord on the windows shortly before the bus approaches your stop, and then get off.

How to find your classes

1. Go to hokiespa.vt.edu
2. Login with your PID and password.
3. Go to Registration and Schedule, and you will find all of your classes and where they are located.
4. If you want to figure out where the buildings of your classes are before I'm back to show you around, just google the building names, and you will find photos and addresses.
